Franco said the word and Siam-men had to wiggle.

The fair attendees at the Fair is nearly 6,000,000 up to date.

The widow of the late Al. McGoodwin is a candidate for superintendent of schools in Graves county.

More than 5,000 pens have been suspended 1 for further proof since March 4, but only 245 have been actually dropped from the rolls.

A net saving of \$16,688 has been made in the last two months by purging the pension rolls of fraudulent claimants and the good work has only begun.

Posy Ball, of Henderson, and the Quigley of Paducah, will both go back to the Legislature without opposition in their own party. Both are well known to the public.

That was for appellate Judge in our adjoining district between Bill Yost and Wm. Reeves will be a hummer. Both of them are "liners" of Christian, but most of our people will "clue" for the big man from Muhammad.

The senator race is made up in the Princeton district. Sam Nunn is the Democratic candidate, while Dubois is his Republican opponent. The district is close enough for the third party to endanger Nunn's election if it makes a nomination.

The report that the newly-appointed Collector in Kentucky would have no difficulty in finding enough Democrats to fill the positions under them proves to be true. This continued evidence of patriotism must be pleasing to every lover of his country—Jesse James.

Another handsome increase in the school per capita is shown in the latest report. It stands at \$29 in 1859 and \$22 in 1860. This is for both whites and black Democratic Kentucky treats the colored children with absolute fairness and places them upon exactly the same footing with white children.

Among the articles in the August Forum will be "The Southern Congress and the Slave Crisis"—one on "India's Action and the Sherman Law" by Mr. Horace White, and the other on "The Doom of Silver" as a measure of value, by Edward O. Leech, formerly of the Mint. These sum up the current silver controversy in its acutest shape.

The seven conspirators who killed poor Abbie Oliver Dillany in Union county are on trial at Morganfield. The man who fired the fatal shot should be hanged as high as Hawaii.

The number of the living and the dead who have given their lives in this war does not give up their knowledge and help to fix the crime upon the right man, the whole outfit should be hung upon the same gallows.

The pension purgers are striking some tall but very rotten timber as their good work progresses. Under their able leadership, the pensioners have almost entirely cleared away all the stipulated time conceding about half of the disputed territory, but France is not satisfied and has ordered a new census. The Sanborn warships are anchored in the harbor of the French gunboats and are preparing to sail and board the French vessels at the first sight of hostility. An immediate outbreak is expected. China will be in full gear and ready to strike at once. England is believed to be encouraging Spain and a short time ago issued a decree that the Spanish fleet should be allowed to pass through the Straits of Gibraltar.

The triangular race for senator in the district composed of Meads, Brackenridge and Hancock counties is growing very hot. Jas. C. and Jas. L. Cross and W. E. Minor are the candidates. The last named is for Lindsay for senator and Cross is against Lindsay and for a Constitutional Union.

The Bradfords, the Browns, the Gosses and the Minors are the leading men in the race.

Col. E. H. Taylor, Jr., who served in the last House and later in the Senate as Senator Lindsay's successor, made an address at Frankfort, in which he said that the Bradfords and Son consisted of Col. Taylor and his son, operated the largest distillery business in that portion of the State. The assignment was made to a Lexington trust company.

The Bradfords were to be about \$100,000 and the assets were expected to be more. Col. Taylor was considered a very rich man and is personally one of the most popular men in the State.

Tom Pettit with the check of a government which has announced itself as a candidate for State Senator in the next session, is to be a member of the Davison and McLean committee on the third party ticket. Now let the Owensboro *Inquirer* make good its boast about the Davison county delegation.

John T. Thompson is to be a member of the Davison and McLean committee on the third party ticket. Now let the Owensboro *Inquirer* make good its boast about the Davison county delegation.
